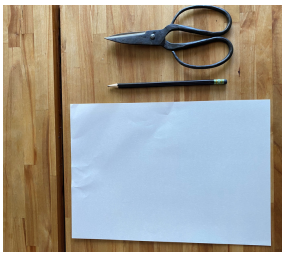
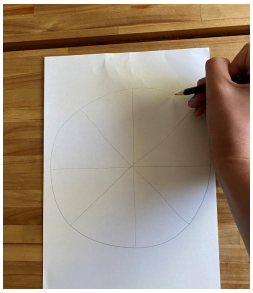
Hej Let's Create!

Swedish Snowflake



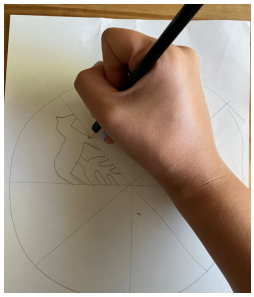
Step 1

First, gather the supplies you need. You will need paper, a scissors and a pencil.



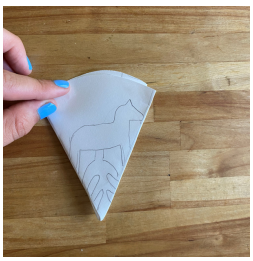
Step 2

Trace out a circle. Evenly divide your circle into eight pie shaped sections.



Step 3

Draw out the pattern you would like your snowflake to follow in one of the sections. I drew a dala horse pattern.



Step 4

Fold your circle using the pencil lines as a guide, leaving the penciled in pattern on top.

Step 5

While the paper is folded, cut out your pattern using the pencil lines as a guide.

Step 6

Unfold your snowflake.

Step 7

Hooray! You finished your Swedish Snowflake! Hang your beautiful snowflake on a window.
