

# Hej Let's Create!

## *Ice Ornament*

### Step 1

First, gather the supplies you need. You will need water, food coloring, yarn, a cookie cutter and a freezer safe plate.

### Step 2

Place the cookie cutter on the plate and fill a bit more than halfway with water. Add a few drops of food coloring.

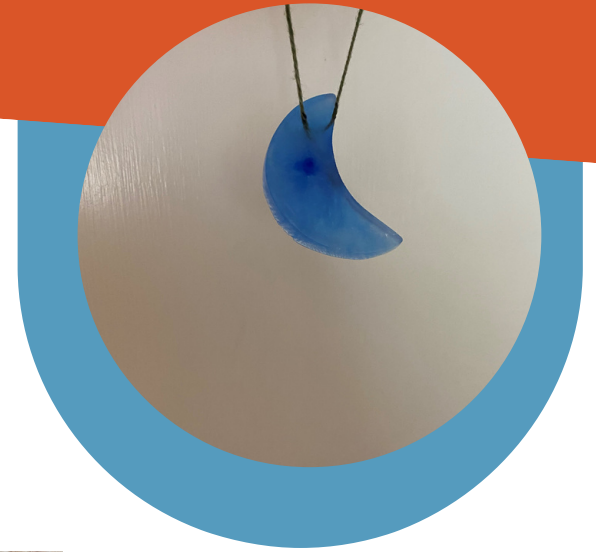

### Step 3

Make a loop with your yarn and lay the bottom pieces in the water as shown..

### Step 4

Place the plate on a flat surface in the freezer and let sit overnight. In the morning pop your frozen ornament out of the cookie cutter.

### Step 5

Hooray! You made an ice ornament! Hang it outside and enjoy!
