

# Hej Let's Create!

## Starkid Hat

### Step 1

First, gather the supplies you need. You will need white construction paper, silver paper, glue, a pencil and scissors.

### Step 2

Fold the paper into a cone shape. You may want to fold it around the head of who will be wearing it for sizing. Glue the edge of the paper together when it is the correct size.

### Step 4

Hooray! You finished your Starkid hat! Now you are ready to celebrate Lucia Day on December 13th!

### Step 3

Cut out large stars from the silver paper and glue all over the hat.
