- Pattern provided (\$8)

### Students should provide the following items for class:

- One 100g ball of worsted weight yarn in MC (main color) and two contrasting colors with accompanying 16 in circ needle and double points in size needed to achieve gauge (20 sts x 28 rows = 4 inch), plus an additional needle 16 in circ needle one full size smaller.
  - I recommend Cascade 220, 100% Peruvian Highland Wool, 220 yards (200 m)/100 g (3.5 oz) skein, 1 skein of a main color, and 25g of one or two contrasting colors.
  - Students are also welcome to seek out Faroese yarn for the project (Sirri 100g/165 m found at [Sirri.fo](http://Sirri.fo)) It is a quite nice wooly yarn.
- Notions: Markers; Tapestry needle
