

**Rivstart textbok och övningsbok, Web Instructions**  
(Updated July 2023)

One of the things that we like about the *Rivstart* textbook series is that it includes additional materials that you, as a student, can access online. The online materials include:

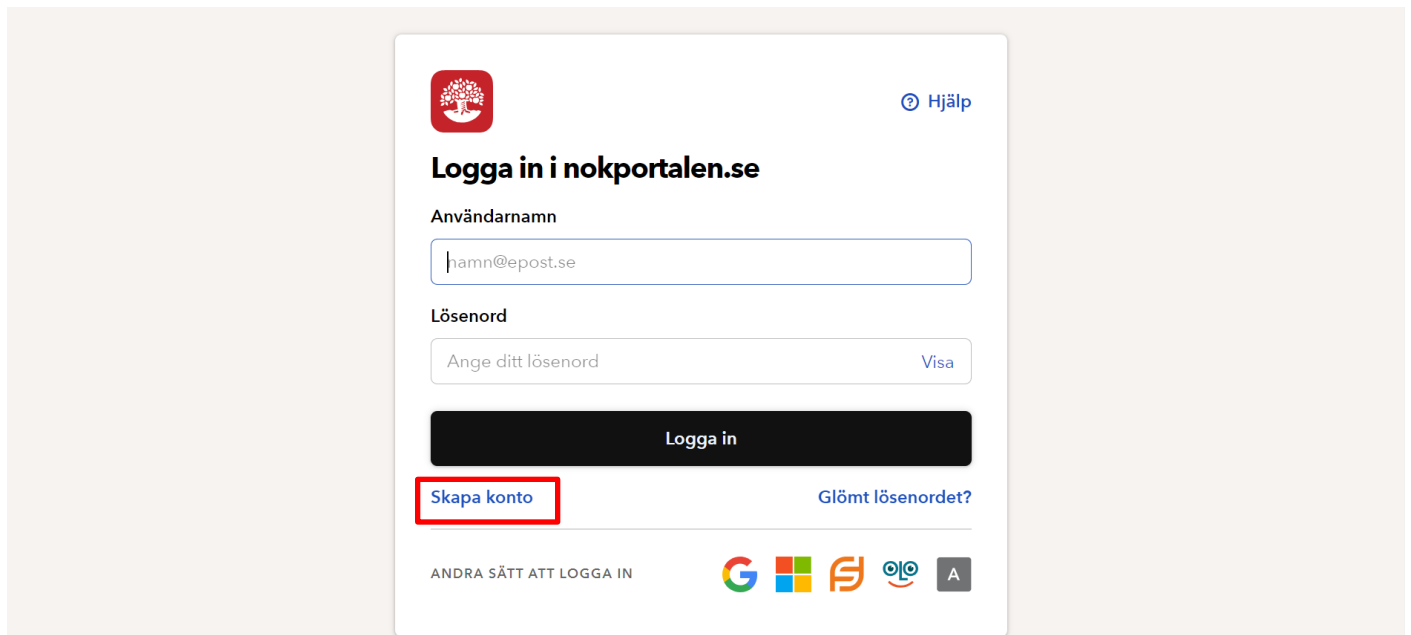

- **Ljudfiler:** audio files for the listening exercises in the textbook
- **Uttal:** audio files for the pronunciation section of the textbook
- **Övningsbok facit:** answer key for the exercises in the workbook
- **Textbok facit:** answer key for the exercises in the textbook
- **Ordlista engelska:** a vocabulary list in English by chapter
- **Hörförsåletexter:** listening comprehension texts
- **Verblista:** a verb list with the various forms of verbs in Swedish
- **Webbövningar:** extra online exercises by chapter (*kapitel*)
- **Framstegstester:** chapter review tests
- **Framstegstester facit:** answer key for the chapter review tests

To access the online materials, go to [www.nok.se/rivstart](http://www.nok.se/rivstart). You should come to a page that looks like this (see below).

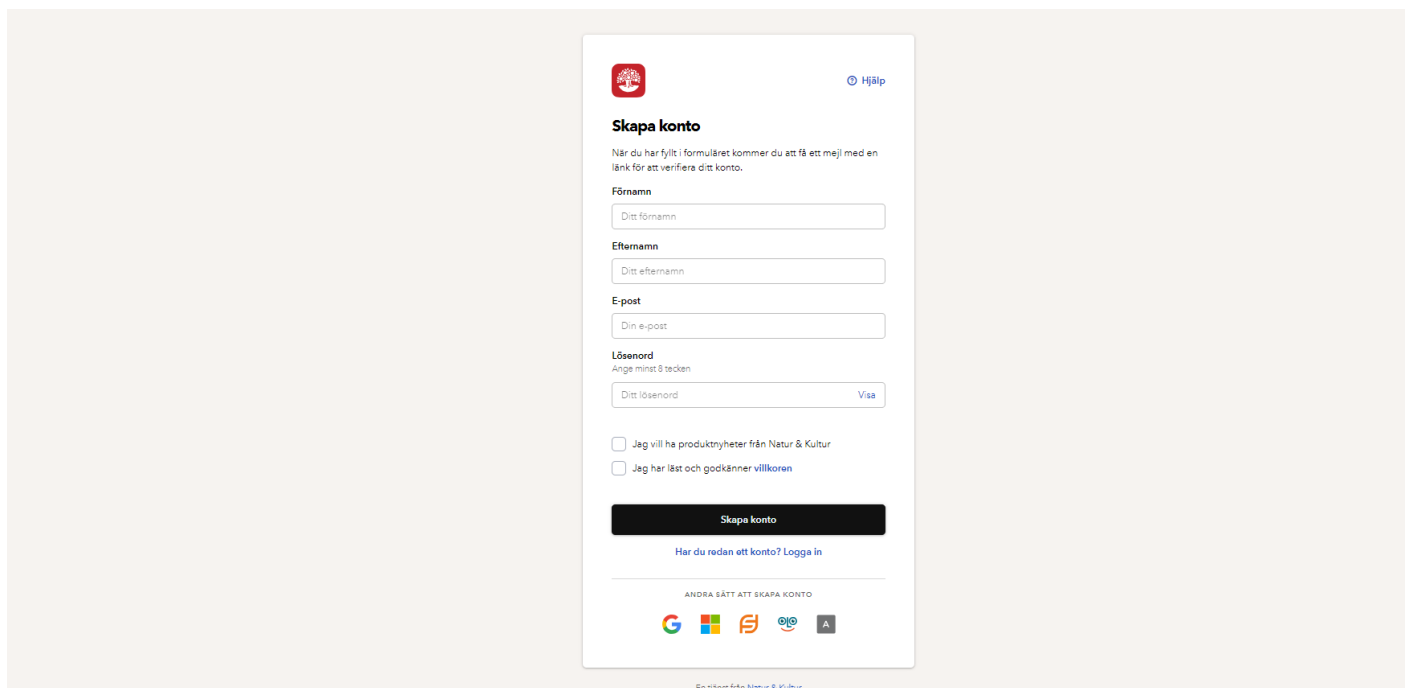

The screenshot shows the top navigation bar of the Rivstart website. On the left is the 'NATUR & KULTUR' logo. In the center is a search bar with the placeholder text 'Sök efter böcker, titlar, sidor...'. To the right of the search bar are links for 'Support' and 'Varukorg'. In the top right corner, there is a red-bordered button labeled 'Logga in nokportalen.se'. Below the navigation bar is a horizontal menu with dropdown arrows for 'Böcker', 'Läromedel', 'Kurslitteratur', 'Kompetensutveckling', 'Priser, stipendier och samarbeten', and 'Om Natur & Kultur'. The main content area features a blue background with a photograph of a person's hands holding two 'Rivstart' textbooks. The text 'Rivstart' is prominently displayed in white, with the tagline 'Snabb progression för den studievana studenten' below it. The background also includes a cinnamon bun, a coffee cup, and a Swedish folk art figurine.

Click the “Logga in” button in the top right corner. It will bring you to the next page where you will need to make an account. Click the “Skapa konto här” link next to “Ny användare” (New user).

Fill in your details on the Skapa konto (make an account) page. You will need to enter your First name (Förnamn), Last name (Efternamn), Email address (E-postadress), and create a Password (Lösenord – at least 8 characters). Then you need to check the “Jag har läst och godkänner villkoren” (I have read and accept the terms and conditions) and click Skapa konto. You can skip the “Jag vill ha produktnyheter från Natur & Kultur” (I want to receive product news from Natur och Kultur) unless you would like to receive emails from them.

After creating your account and logging in, you will come to the NOK (Natur och Kultur) Portal (nokportalen.se).

The screenshot shows the NOKportalen website interface. At the top left, there is a logo and the text 'NOKportalen'. At the top right, there are links for 'Hjälp' and 'LS'. The main header area features a teal background with the text 'Hej Liz!' and a collage of educational materials including a laptop, headphones, and book covers. Below the header, a white box contains the following text:

**Anslut ditt konto till en skola**

Ditt konto kan anslutas till en skola för att du ska få tillgång till skolans delade resurser. Om du har en åtkomstkod kan du klicka på knappen nedan. Annars ber du din lärare eller en kollega att lägga till ditt konto på skolan. Som lärare får du då även möjlighet att prova produkter gratis. Kontakta vår kundsupport om du behöver hjälp.

Ditt användarnamn: **lizz@asimn.org**

There are two buttons: a blue button labeled 'Anslut till skola' and a red-bordered button labeled 'Jag har ingen skola'.

At this point, you'll see a pop up that says "Anslut ditt konto till en skola" (Connect your account to a school). ASI is not part of the school system, so please click "Jag har ingen skola" in the lower right corner.

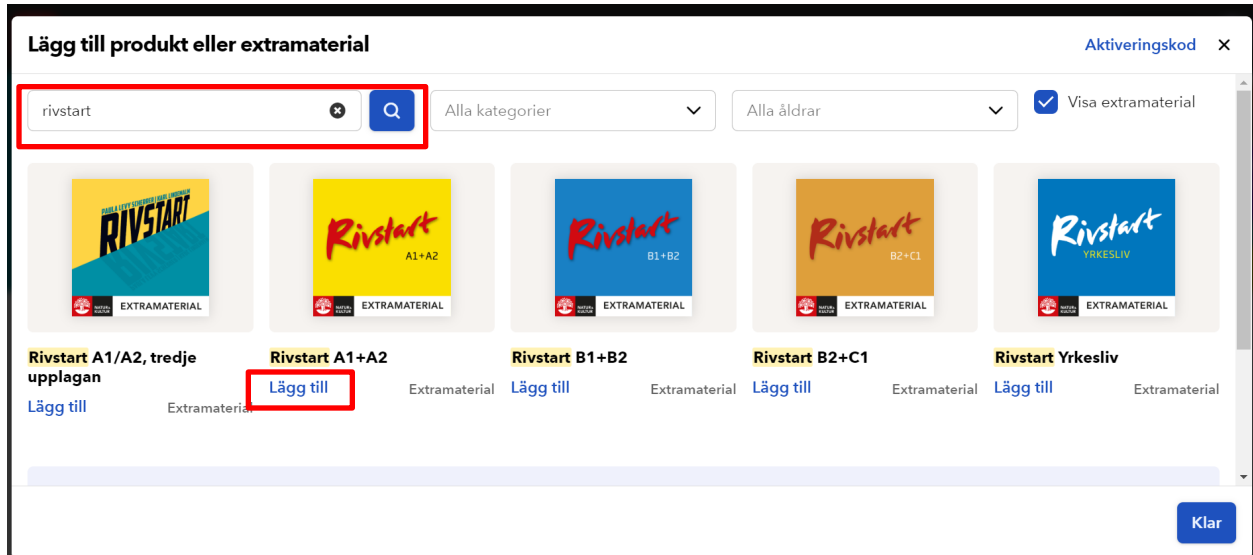

The screenshot shows the NOKportalen website interface. At the top, there is a browser address bar with 'nokportalen.se' and several open tabs. Below the browser, the website header is visible with the logo and 'NOKportalen' text. The main header area features a teal background with the text 'Hej Liz!' and a collage of educational materials. Below the header, a white box contains the following text:

**Du har inga digitala produkter**

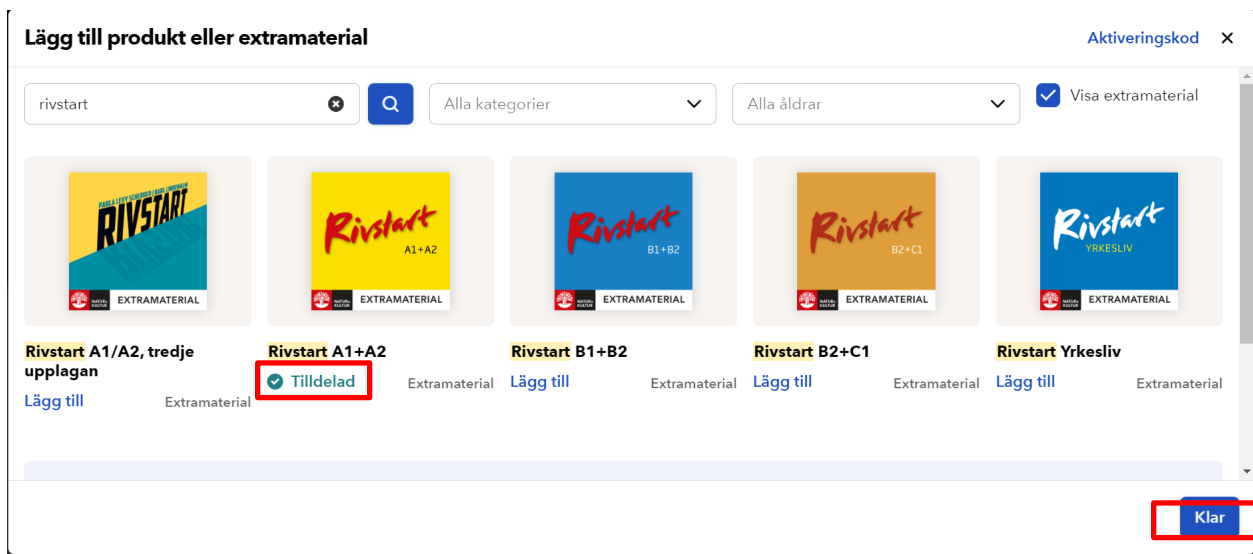

För att använda våra digitala produkter behöver du först ha köpt en licens för någon av våra produkter. Du kan besöka **nok.se** för att utforska alla våra produkter. När du har genomfört ett köp av en digital produkt samlas dessa här på din hemsida. Extramaterial som är gratis går alltid att lägga till.

There is a blue button labeled 'Lägg till produkt'.

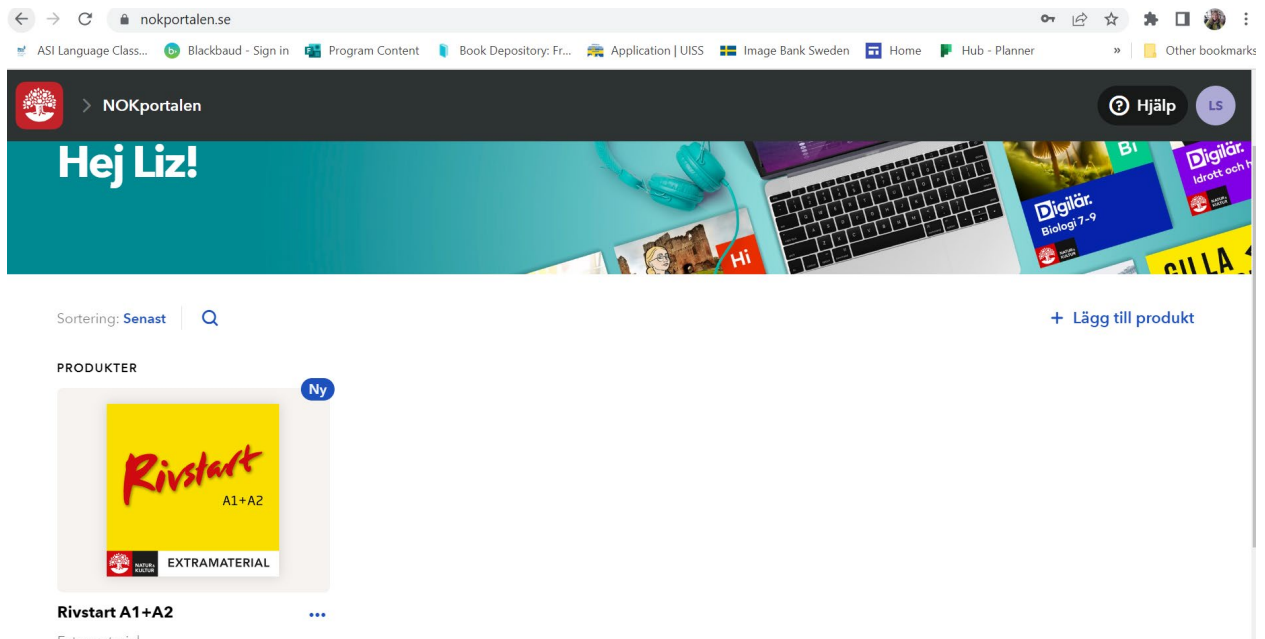

Next you'll see your digital products (digitala produkter) library. At this point, you can search for whichever Rivstart book your class is using by clicking "Lägg till produkt" (add a product).

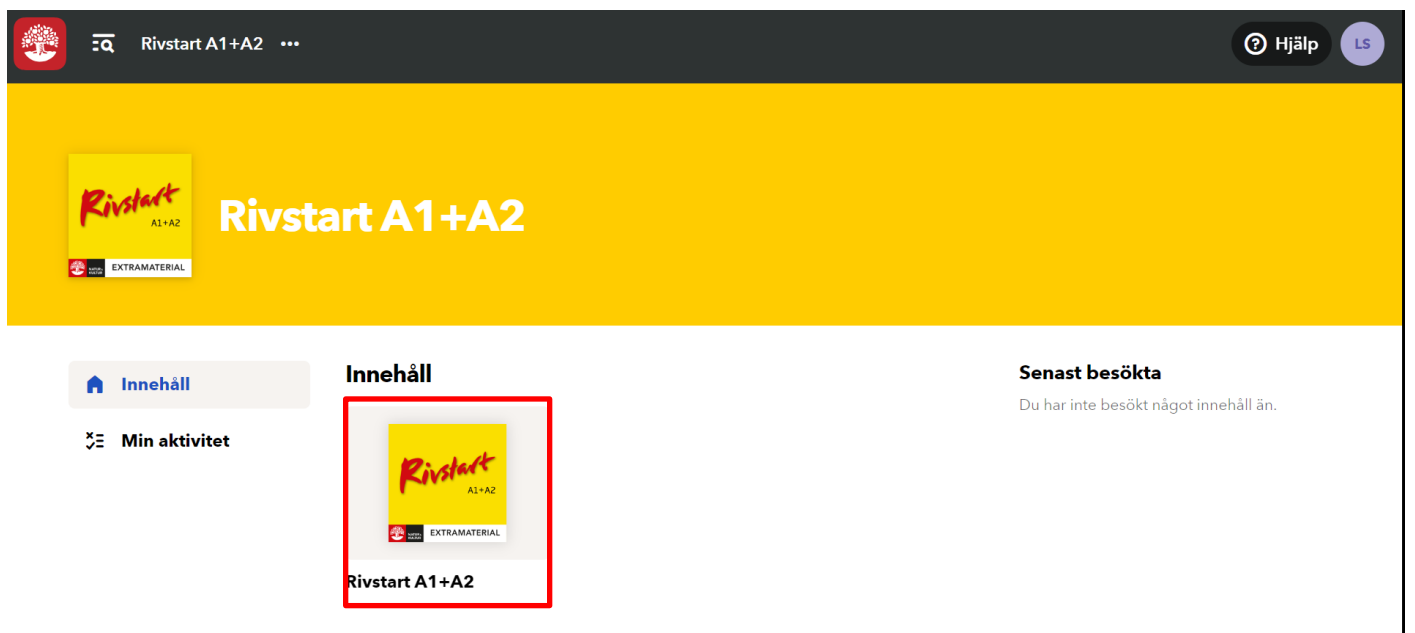

When you click “Lägg till product”, a window will pop up where you can search for Rivstart in the top left. Then, find the image that matches your Rivstart book and click “Lägg till.”

Once you’ve added it, you will see a green checkmark and “Tilldelad” (allocated). You can then click “Klar” (done) at the bottom right of the screen. The pop up window will close and you will then be able to see the Rivstart extramaterial you added in your library. (Note that you can add multiple Rivstart extramaterials to your library - if your class finishes Rivstart A1/A, you can easily add Rivstart B1/B2 in the same way).

You can then click on the Rivstart icon to open the extramaterial.

Click again on the image below Innehåll (Contents). This will bring you to a landing page where you can navigate to the chapter your class is using.
