Design and Weave a Repp Band with Kerstin Neumüller

May 18-19, 2024

Students should provide the following items for class:

For Session 1 –

- Paper and colored pencils
- A Scandinavian-style rigid band weaving heddle
- Yarn to weave with in at least two colors; but up to five can be used
- Scissors

Yarn source recommendations:

- Vävstuga web shop: [Cottoline](#) 22/2 or [Linen yarn](#) 16/2
- Kerstin Neumüller's web shop: [Linen yarn 25/2](#)
- or any two-ply plant fiber yarn that is thin enough to go through the holes of your heddle.

For Session 2 -

- One piece of string, as long as your arm
- One piece of string, long enough to go around your waist + be tied on a bow.

NOTE: String must be strong enough that you cannot break it by pulling with your hands.

- One plastic card (same size and style as a credit card, though preferably you would want to use a non-credit card since we will be on a recorded video call).

NOTE: For set-up during the second session, you must be seated near a fixture that will not move if pulled i.e., the knob of a closed door or a sturdy table leg.

Please contact the Food and Handcraft Programs Team (foodhandcraft@asimn.org) with any questions.
