

Nordic Handcraft Workshop Materials List

*Creative Mending by Hand with Tasha Miller Griffith
January 14-28, 2025*

The materials for this class are flexible, and hopefully you can use things you already have, or that are easy to find.

Students should provide the following items for class:

- *Several textile items you'd like to mend (household items, clothing, etc.)*
- *Fabric scraps to practice stitching*
- *A selection of hand-sewing needles*
- *A selection of threads and yarn (start with what you have)*
- *Scissors (you might find a small pair of sharp scissors and a pair of fabric shears especially helpful, but whatever you have on hand works)*
- *Any other favorite hand sewing tools you have and love (thimbles, an embroidery hoop, pin cushion, etc.)*

Please contact the Food and Handcraft Programs Team at foodhandcraft@asimn.org with any questions.
