Nordic Handcraft Workshop Materials List

Introduction to Acanthus with Jock Holmen

Please Note: A few carving tool sets are available from the instructor. If you bring your own tools, there will be less waiting to use the same tool. **Do not bring palm tools. If you do not already own the tools before class, wait until the first class to discuss the best options with the instructor before purchasing.** Jock recommends Woodcraft for purchasing tools locally.

Students should provide the following items for class:

- *tracing paper (e.g. Blick Tracing Paper 11 x 14, item 10609-3005 or similar)*
- *#2 pencils/eraser (e.g. Staedtler Mars plastic eraser/similar)*
- *a notebook or sketchbook for note taking*
- *If you have any of the following carving tools, please bring:*
    - *Basic tools needed (Tool #s are Pfeil Swiss Made):*
        - *#12 - 12mm V tool*
        - *#1 – 20mm (beveled 2-sided)*
        - *#3 - 4mm gouge*
        - *#3 - 20mm gouge*
        - *#5 - 16mm gouge*
        - *#8 - 10mm gouge*
    - *Additional, optional tools:*
        - *#12 - 3mm V tool*
        - *#1s - 20mm beveled 2 sides*
        - *#4 - 14mm gouge*
        - *#6 - 6mm gouge*
        - *#7 - 14mm gouge*
        - *#8 - 14mm gouge*
        - *Mallet*

Additionally, the book *Acanthus Carving and Design* by Bob Yorburg with illustrations by Hans Sandom is an optional but recommended resource.

Please contact the Food and Handcraft Programs Team at foodhandcraft@asimn.org with any questions.
